COMMEND HOSPITAL NO. 4

Report of Committee of the Southeast

Missouri Medical Association

Which Met in Farmington

October 17-19.

During the meeting of the Southeast

Missouri Medical Association at Farm-

ngton, the members visited State

Hospital No. 4 for Insane, and at a

ubsequent meeting, appointed a com-

mittee to report impressions of con-

ditions as found. The report of com-

MR. PRESIDENT: Your committee

appointed to report impressions of

conditions existing at State Hospital

No. 4 at Farmington, beg to say: we

are greatly impressed with the Insti-

tution, its appearance, its condition,

and its management. The buildings

are splendid in architectural design,

and are arranged upon the grounds in

shape of a large mother bird, with

wings extended, as if to "hover" and

protect the dependent, (a beautiful

and befitting thought.) The condi-

tion of the buildings was as perfect as

possible to conceive, the cleanliness

seing all the most exacting could de-

mand. The farm ecutributes largely

o the support of the Hospital and

hould be liberally sustained. We are

well pleased with the "Cottage Sys-

tem" which permits a separation and

classification of patients, according to

heir various ailments, making possible

the essentials so conducive to the wel-

fare and recovery of the afflicted

The surroundings of the inmates are

such that their retention is one of

They live out of doors in seasonable

weather and the the enforced exercise

secessary to health appears to b

greatly enjoyed by them. They walk

to their meals, the dining room being

ome distance from the other build

ngs, and that alone means exercise

hree times a day. The Institution

ms an especially large per cent of im-

seciles and degenerates, yet the per

ent of recovery of actual insane, as

esults of modern methods used, is

surprisingly large and each month wit-

esses the return to their homes of

nany of the unfortunates, restored to

We find also a large number of

idiots and epileptics under fifteen

ears of age. They should be taken

o Marshal to the Institution of feeble

minded. Many of them have a degree

of intelligence and could be educated

sufficiently to become self supporting,

The clinic given at the infirmary

onsisted of an exhibition of fifteen

patients with almost as many differ-

ent mental deficiencies, and was a

clear demonstration of the able and

proficient management in charge

which we loudly proclaim is second

to none anywhere. The kindness and

the patients and the fondness of the

patients for the officers were moidents

hailed with great pleasure by those in

attendance. The superintendent evi-

dently is accepting his task as a labor

of love, and the sympathy, kindness

and care exercised by him elicited our

'Tis the sense of your committee

that each member of the association

was deeply moved by what he wit-

enthusiastic friend of the Institution,

and we further believe, could every

citizen of Southeast Missouri visit the

Hospital they would regard it a most

pleasant privilege, instead of a tax, to

ontribute to its support. Your com-

mittee reflects the sentiment of the

association when they urge the people

of Southeast Missouri to regard this

Institution as their own, and to in-

struct their representatives to demand

of the Legislature means sufficient to

properly enlarge and sustain it, in ac-

cordance with the requirements for

the comfort and welfare of the un-

fortunates who are necessarially con-

fined there. These people are our

people, and our gratitude to our Crea-

tor, for blessings, greater than they are enjoying, can be no better shown,

nost hearty commendation.

ssed, and left an int

onsideration shown by the officers to

and some comfort to themselves.

leasure rather than discontent.

nittee follows:

All kinds and all prices. We have a larger and better stock for you to select from than ever before. Our prices will actually surprise you, besides this you know "Its fresh at Klein's."
